Loft Style Triple Volume Office To Let At Old Castle Brewery

The Old Castle Brewery is iconic in Woodstock and for a very good reason. Built in the early 1900s, on Beach Road, the building was later turned into a popular commercial hub.

Located just off the N1 and in close proximity to the M5 and N2, The Old Castle Brewery is also close to major public transport links and the Cape Town CBD. Close to all necessary amenities, there is 24hr security, ample covered parking, and onsite coffee shops.

At 183m², this triple-volume unit has exposed brick walls and is filled with lovely warm natural sunlight. With harbour views, and a private balcony, there are multiple private offices and boardrooms and is fully air-conditioned. This lovely space is perfect for creative agencies or any company looking to move closer to the Cape Town CBD.
